Critical Pathfinders

Dear Andrew and Gina:

I would like to thank you very much for your efforts in organizing our Adventure Paddle Day on Friday, Sept 14, 2001. Our day was a great success and clearly met all of our expectations. We were very pleased with the professionalism, organization, attention to detail and enthusiasm demonstrated by your company.

Our objectives for the day were to have fun, get to know each other better, and to highlight the importance of teamwork and accountability. The Paddling Decathlon and afternoon games achieved these objectives. The interactive and creative activities generated valuable discussions among our group of 28 participants, not only during the day, but also back at the office.

Thank-you again for a flawless, fun and learning-filled day. I would happily recommend your company to others.

Sincerely,

Shannon Beatty
